

Product Discontinuation Notices

ACC-24E2

Issue Date
March 31, 2026

No. 2026022EN

For over 20 years, the Turbo PMAC series of controllers and accessories has supported a wide range of successful and innovative applications. With the discontinuation of Turbo PMAC CPUs and the high risk of end-of-life (EOL) for key components, the ACC-24E2 will also be discontinued. New configurations can be developed using the newer ACC-24E3.

Product Discontinuation		Recommended Replacements
